Form 2-G
NARRATIVE
For Period Ending November 30, 2009

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors or the court during the reporting period, any unusual or non recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial conditions of the debtor which have occurred subsequent to the report date.

The Borrower conducted, in conjunction with the Secured Creditor, interviews of potential candidates to fill the co manager as required by the Cash Collateral Stipulation. BDRC4Site was selected to be the co manager of the project. In addition, G Resorts was hired to provide consultation assistance to BDRC on issues specifically related to hotel operations.

BDRC and Gemstone began the process of acquainting themselves with the project and property so that they could engage once they were approved by the court, to review the business plan and budgets provided by the Borrower for 2010 and beyond.

The development of the term sheet and work out plan is being done in conjunction with the Co-manager. Due to the time it takes to reach agreement with all parties on the consultant selections the delivery time line for these items has slipped.

In November the property posted an operational loss of \$68,649 which was \$57,370 better than budget and \$163,509 better than November 2008.

The expenditures related to the Borrowers reorganizational expenses continues to track significantly behind budget as fees and professionals has not been approved for payment by the court. This is expected to occur in December.
